

Transparent LED Display

STR Series

Pixel Pitch (mm) : 3.9-7.8 / 5.2-10.4 / 10.4-10.4 / 15.6-15.6

Cabinet Size (mm) : 500*500 / 1,000*500

Versatile Pixel Pitch & Sizes

Choose from pixel pitches of 3.9-7.8mm, 5.2-10.4mm, 10.4-10.4mm, or 15.6-15.6mm. The modules measure 500×250mm, and cabinets come in 1,000×500mm or 1,000×1,000mm sizes — perfectly adaptable for any rental setup or event.

Lightweight Die-Casting Aluminum Cabinet

The 500×500mm cabinet weighs just 6kg, and the 1,000×500mm cabinet is only 8.5kg. Crafted from die-cast aluminum, it offers feather-light weight without sacrificing strength.

Modular Design

Featuring a modular structure, the cabinet ensures ergonomic efficiency and industrial durability — making installation and transport smooth and reliable.

High Performance Display

Transparency rates range from 55% to 75%, with a high brightness of 4,500 nits and a 6,000:1 contrast ratio. It supports a 3,840Hz refresh rate and 14-bit grayscale for superior visual quality.

IP65 Waterproof

With IP65 protection, the screen handles rain, dust, and bumps effortlessly. Edge guards prevent LED damage, ensuring reliable performance indoors and outdoors.

Anti-collision

Waterproof

Dust-Proof

Anti-UV

Easy Assembly & Disassembly

All fastening locks use a quick-release structure combining durability with operational efficiency, making installation, removal, and onsite maintenance fast and easy for rental events.

Front and Rear Access Maintenance

Modular power supplies and cabinets support both front and rear access for maintenance, keeping display areas clean and unobstructed during events.

Flexible Curved & Right-Angle Options

Enhance your display with an optional curved lock for $\pm 15^\circ$ bending in 2.5° increments, and a right-angle configuration using 500x500mm cabinets that integrate with 1000x500mm units — ideal for creating hybrid curved and angular displays for indoor or outdoor events.

Application Scenarios

Perfect for concerts, exhibitions, award ceremonies, opening ceremonies, stadium screens, and other rental events requiring high transparency and visual impact.
